Shopping Advice

Please be aware that many major stores market a lot of shoes, trousers and skirts as part of their 'school uniform' range. This does not automatically mean that these items are suitable for school. Please follow the advice and examples of acceptable school wear in the uniform booklet closely. If you are in doubt, please contact Mrs. E Dowling (Yrs 7–9) or Mr. D Merrifield (Yrs 10–11) prior to making a purchase. Emblematic now offer a school skirt and trousers that meet the school requirements.

Hairstyles, Religious Headwear, Jewellery, Make-up

- Hair must be a natural colour only and hairstyles are not to follow extremes of fashion such as shaved heads, tramlines, patterns, dyed hair etc
- Natural looking make-up only
- No false nails/nail varnish or false eye lashes are to be worn
- The only jewellery allowed to be worn is a watch and one plain ear stud in each earlobe only
- Religious headwear must be completely plain (no patterns) and one colour—black, blue or white only. Religious headwear specifically designed for sport is available to order from Emblematic

Students arriving at school in incorrect uniform

Any student arriving to school in what we consider incorrect uniform will work in isolation unless the issue can be corrected, for example, changing shoes or removing jewellery. This rule is not negotiable and applies to all students.

The school does not accept notes or letters from parents/carers to excuse students from wearing full school uniform.

Any student that is unable to wear full school uniform due to a medical condition will need to supply the school with a suitable letter from a medical professional explaining how wearing uniform would negatively affect their condition. For ongoing issues, such a letter would need to be renewed at the start of each academic year.
