The Annual Careers Plan CEIAG 2023 to 2024

Rationale

Good quality careers education will raise the aspirations of all young people and help our students to become effective career planners and managers of their own progression through learning and work. It will increase motivation by linking activities in school with preparation for life post 16 and post 18. In providing unbiased CEIAG (Careers Education, Information, Advice and Guidance) our aim is to raise pupil achievement and increase confidence whilst helping to ensure the equality of opportunity for all.

Most people spend many years of their life in a working environment, and it is therefore important to equip our students with the necessary skills for them to make decisions about their future, to know how and where to access information and to link subject areas and qualifications with possible careers.

At Jesmond Park Academy we provide a CEIAG programme for every year group and this includes aspects of work-related learning, enterprise education and financial capability.

We work closely with Newcastle Careers Team. They are in school each week to provide impartial information, advice and guidance for our vulnerable students and support the work done by Sarah Beeley. The school shares student data with this organisation so that tailored support is offered. Parents/carers need to advise the school in writing if they do not wish this data to be forwarded. We also provide impartial IAG to all Year 11 students and selected Post 16 students, and we have chosen to purchase this from EDT. Sarah Beeley, the Careers Leader in school is qualified to Level 6 in Careers Guidance, to support students. Careers Appointments are co-ordinated through the Careers Leader, with support from a dedicated member of the admin team, Lorraine Aspinall. All students can use the National Careers Service website and helpline, and access software, such as Unifrog via the Careers Page on the VLE. CEIAG is on-going throughout the academic year, and we take every opportunity to provide unbiased information, advice and guidance to all members of our school community. All our Y10 students are given the opportunity to undertake a one-week period of experience of work in July. This is an invaluable experience, providing the chance to develop their key skills and sample the world of work.

Careers Champions project

Jesmond Park Academy is the trailblazer for the Careers Champions project which we started in our school in January 2020. This project is now being rolled out nationally. The Careers Champion Project was set up in partnership with our Enterprise Adviser, Catherine Boland. The Careers Champions are the student voice for their Careers programme in school and help out at the Careers Fair.

"As a NCW champion, I'm proud to be able to speak for the rest of my 6th form community, to make the transition from school to work, apprenticeships or further education easier and more exciting." Careers Champion Year 13 Leaver 2023.

In school, we have two students from each year group, 7-13 acting as National Careers Week Student Careers Champions.

Job Profile and Description

A National Careers Week (NCW) Student Careers Champion is someone who is responsible for helping students to learn more about their options for education and future careers. They do this by working closely with the Careers team in school.

Duties and Responsibilities

- A Student Career Champion provides support to the School's Careers team with feedback on the existing careers activities.
- They may be asked to answer various questions from students or their parents about the school's programme of careers education and support.
- They will collaborate with their team on a project, which will improve or add to the existing careers activities.
- They may support with planning and organising various talks and events.
- They will be invited to take part in careers champion meetings to be held monthly.

- They may act as a guide for employers and professionals who are visiting the school, for the purpose of taking part in career talks and events.
- They will be requested to act as mentors for the Career Champions who follow them.

Skills you will develop

- A NCW student careers champion will have the opportunity to develop exceptional communication skills and interpersonal skills.
- A NCW student careers champion will be expected to be dependable and trustworthy.
- A NCW student careers champion should be open to new experiences and comfortable to work as part of a team.
- A NCW student careers champion will be encouraged to be an active listener and contribute to discussions allowing everyone to have a voice.
- A NCW student careers champion should have a desire to support their colleagues and try to think of creative solutions when facing a problem.
- NCW student careers champions are expected to be ambassadors for their school, and role models for their peers.

Success Criteria

The principles of impartial careers education will have been implemented.

Good quality, impartial careers education:

- o Empowers young people to plan and manage their own futures
- o Responds to the needs of each learner
- o Provides comprehensive information and advice
- o Raises aspirations
- o Actively promotes equality of opportunity and challenges stereotypes
- Helps young people to progress

"Career guidance is a purposeful learning opportunity which supports individuals and groups to consider and reconsider work, leisure and learning in the light of new information and experiences and to take both individual and collective action as a result of this."

Hooley, Sultana and Thomsen, 2018

Code of Practice

Jesmond Park Academy has been awarded the Quality in Careers Standard.

This is awarded by *Inspiring IAG* which is a Licensed Awarding Body for the national standard.

The aim of the award is to:

- 1. Help schools to meet Statutory Guidance (2018) and the Careers Strategy and to look at the **quality** elements of CEIAG through **external assessment and validation**, which will also incorporate and go beyond, the Gatsby benchmarks.
- 2. Ensure young people get the support they need to make well informed, realistic decisions about their future through careers education, information, advice and guidance.
- 3. Have appropriate, up to date, accurate and impartial information and resources that all young people can access regardless of race, gender, religion, ability, disability, social background or sexual orientation.
- 4. Ensure the organisational policies relating to careers education, information, advice and guidance (CEIAG) are up to date and regularly reviewed and reflect this code of practice and Statutory guidance.
- 5. Empower young people by informing them of how they can access CEIAG to help them plan their future and make well informed, realistic decisions.
- 6. Provide young people from year 8 onwards access to impartial professionally qualified careers guidance[1] and ensure formal regular assessment arrangements are carried out of the guidance practitioner, by appropriately qualified[2] senior staff to determine ongoing competency.
- 7. Offer all young people access to impartial and independent [3] careers guidance [4], at a time and place that suits their needs.
- 8. Ensure that all staff working with young people are offered and access ongoing training about qualifications/progression pathways and other relevant subjects and that there is a formal system in place to ensure the competency of all staff in delivering CEIAG.
- 9. Work in partnership, where appropriate, with opportunity providers including employers, FE and training providers, and youth support services. This should include technical education qualifications (T levels) and apprenticeships.
- 10. Working with parents/carers to offer them information, advice and guidance to help them, help their son/daughter.
- 11. Involve young people in the design, delivery and evaluation of CEIAG programmes.
- 12. Promote equality of opportunity, celebrating diversity, challenging stereotypes and raising aspirations

Criteria for identifying vulnerable students

Newcastle Careers Team 2023-2024

- The team are part of **Inclusion** and therefore have a new focus: support, advice, and guidance across the whole school
 - · They will support events from Y9 upwards
 - · They identified a specific cohort:

Known to Youth Justice Service/ part of alternative provision/Children in Care/Asylum Seekers and Refugees.

They then asked us as a school to to set our own criteria, The Careers Leader met with the KS4 Team

less than 70% attendance, EAL, at risk of becoming NEET, KS4 Team concern, predicted grade 3's or below in both English and Maths.

· The additional support could involve working with staff training/curriculum development.

In Newcastle City Council, there is a dedicated SEN Caseworker Team, they will write, update EHCP and an SEN Caseworker is allocated to the School. The SEN Caseworker will attend the annual reviews and offer advice and guidance about Post 16 options.
