

Jesmond Park Academy Year 10 summer mock overview timetable v2

This is the updated version of the overview timetable. The only changes are the order of the science exams – the changes are indicated in **bold**. You will be given a personalised copy of your timetable this week. It will give you your seat number and the room in which you will be sitting the exam. Please note your personalised copy will not include the updated order of science exam changes but your seat and the room that you will need to go to will remain exactly the same. **The order of science exams below is the correct one.** If you have a clash (subjects that you study that have an exam at the same time) then one of those will be rearranged to another time. This will also be detailed in your personalised exam timetable. There are also mock speaking tests in French, Mandarin and Spanish during the week beginning Monday 21st June. Your MFL teacher will give you your appointment time in class. The number after the exam is the time in hours and minutes. In MFL if you are sitting the foundation tier the time is slightly less than that indicated below. The timings do not include the time for those students who qualify for 25% extra time exam access arrangements.

Day	Morning 8:45am start	Afternoon 1:00pm start
Monday 28 th June	Music 1:45 Business Studies 1:30 Drama 1:45 Design Technology 2:00	History Paper 1 1:00
