PLEASE READ THE FOLLOWING TERMS AND SIGN OUR DECLARATION AND TWO CONSENT FORMS

SCHOOL UNIFORM

I understand that any student arriving to school in what is considered to be incorrect uniform will work in isolation unless the issue can be corrected, for example by changing shoes or removing jewellery. This rule is not negotiable and applies to all students.

The school does not accept notes or letters from parents/carers to excuse students from wearing full school uniform.

I understand that any student that is unable to wear full school uniform due to a medical condition will need to supply the school with a suitable letter from a medical professional explaining how wearing uniform would negatively affect their condition. For ongoing issues, such a letter would need to be renewed at the start of each academic year.

BREAK AND LUNCHTIME

I understand that all students Year 7 – Year 11 are required to stay in the school grounds at break and lunchtimes and that my child may either purchase food from the School Restaurant or bring a packed lunch from home.

Should my child need to leave school during the day for any reason e.g. dental appointment, I will provide my child with a note or write it in their planner.

VALUABLES IN SCHOOL

Some students against all advice, are bringing very expensive personal items into school e.g. mobile phones, jewellery etc.

- Students are strongly advised to leave all valuables at home
- Jesmond Park Academy is not insured for personal items
- Jesmond Park Academy cannot compensate for lost/stolen items
- For Health and Safety reasons jewellery must not be worn (other than a watch and/or small stud earrings).

A teacher cannot take responsibility for personal items.

However, in some subject areas e.g. PE/Games/Technology etc teachers will try to help students store any valuables as safely as school facilities allow but students leave items at their own risk.

DECLARATION

I can confirm that the details I have given on this form are correct and I have read and agree to all the items contained in this booklet.

USE OF BIOMETRIC DATA

The Gosforth Federated Academies Limited, trading as Gosforth Group, incorporates **Jesmond Park Academy**, Callerton, Gosforth Academy, Gosforth Junior High Academy, Great Park Academy and North Gosforth Academy.

At Jesmond Park Academy, in common with a lot of schools, an electronic system to enable purchases from our cafeterias is already used. The cashless system negates the need for students to carry cash and enables the quick and efficient processing of students. The biometric (fingerprint) identification system is endorsed by the Department for Education. It uses the finger to uniquely identify each student, measuring many aspects of the finger to do this and translating this into a unique identification code. **The system does not store any image of the fingerprint.**

To ensure the Trust is meeting data protection requirements your consent is needed to take and use a fingerprint of your child. In this connection, your consent is much appreciated so that we can use the biometric system as described above. If you are not happy for us to do this, that is not a problem – the Trust will accommodate your preference. If you change your mind at any time, you can email the Data Protection Officer at dataservices@judicium.com, or by writing to the Data Protection Officer, Judicium Consulting Limited, 72 Cannon Street, London, EC4N 6AE.

Your child may at any time also object or refuse to allow his or her biometric information to be used, even if you have given your consent. Please explain to your child that he or she can object if he or she wishes. His/her objection does not need to be in writing; we just need to know so that alternative arrangements can be put in place.

If your child ceases to use the biometric recognition system, and when he or she leaves the School, his/her biometric information will be securely and permanently deleted.

BIOMETRIC CONSENT / NONE CONSENT

To be completed by Parent/Carer:

I **consent** to my child's biometric information being used as described above.

In this connection, your consent is much appreciated so that we can use images in the ways described above. If you are not happy for us to do this, that is not a problem – the Trust will accommodate your preferences. If your child is aged 13 or above they will need to give their own consent.

If you change your mind at any time, you can let the Trust know by emailing the Data Protection Officer at dataservices@judicium.com, or by writing to the Data Protection Officer, Judicium Consulting Limited, 72 Cannon Street, London, EC4N 6AE.

This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our students to the DfE as part of statutory data collections such as the school census. Some of this information is then stored in the NPD.
