Dear Parent/Carer

JESMOND PARK ACADEMY SUMMER SCHOOL

We are delighted that your child will be joining us in Year 7 in September 2024. This is a very exciting and challenging time for your child, and to help them feel comfortable about their transfer from primary to secondary, a Summer School will take place during the first week of the summer holidays.

Summer School is a fantastic opportunity to meet new friends and have fun while learning about life at Jesmond Park Academy. The main focus of Summer School is to develop your child's confidence - in themselves and in their learning - just as they prepare to join us at JPA. They will work on developing their skills and knowledge in a variety of subjects, but also spend time each day on team-building and problem-solving activities, which will help them to develop new friendships, to learn to work effectively with other people, and to make the most of their time at JPA. We will be spending as much time as possible outside, getting lots of fresh air and exercise too.

To reserve a place on our Summer School, please complete the link below on our school website

<https://forms.office.com/e/6ddbSPCUUW>

Spaces are limited: you will receive a confirmation once the places have been allocated and we expect this to be via email the week commencing 1 July 2024, although you can still apply after this date! The information submitted in this form will help us to make appropriate plans for our Summer School and support your child.
