Create your future

‘Create your future’ encapsulates our purpose as a school: to educate, support and nurture all of our students so they can achieve their potential and fulfil their aspirations.

We are a dynamic and diverse school – this means we have a clear energy and purpose and all students are valued equally, regardless of their background or ability.

We pride ourselves on our comprehensive ethos and intake as well as our inclusive approach.

Vision and values

Encourage high expectations and high standards of achievement, both academic and personal.

Embrace honesty, trust, reliability, creativity, respect for the legitimate rights of others, care for the weaker members of society, regard for the environment and a kindness towards other people.

Provide a safe, calm, friendly and disciplined atmosphere, in which hard work and co-operation are respected, is the best way to promote these values.

Key features

Comprehensive ethos

Academic achievement

Broad and balanced curriculum

Extra curricular opportunities

Discipline and rewards: PRAISE Code

Pastoral care and individual support

Supportive transition process

Examination results

GCSE Results

The results were Outstanding and record results in many categories.

Ofsted quotes

Pupils benefit from a well-planned curriculum

Teachers help pupils to build knowledge and skills across many subjects

Leaders have worked hard with teachers to improve the quality of education

Behaviour strategies have had a transformative effect on learning. Behaviour in lessons is positive.

Adults build positive relationships with students.

Students in the sixth form value the curriculum. They enjoy their studies and are prepared well for their next steps.

Pupils are encouraged to respect one another in this highly diverse school community.

Curriculum

Our philosophy is centred around knowledge acquisition allowing the development of subject specific skills where the teacher is the expert but the role of the learner is recognised as vitally important.

Challenging curriculum content is an entitlement to all students designed in the form of a spiral curriculum with regular low stakes testing and a consideration of cognitive load.

Our approach to pedagogy takes all these things into account with guided instruction, knowledge and vocabulary acquisition front and centre.

Assessment must create learning and most assessments will be formative and low stakes.

	Library/Homework Club - Mr Brown - All Year Groups to 3.30pm									

Enrichment

The clubs and activities up and running this half term.

We encourage our students to take every opportunity to take part in the fabulous opportunities that we have at JPA outside of our normal lessons. We aim to encourage students in Year 7 to continue with their music and drama activities from their primary school.

Our busiest students are our most successful students.

What next?

Have a look at our school and what we offer

Student tour guides are in the restaurant

Speak to staff and students, ask questions
