Personal Development (Pd) Topics

Year 10 Pd is a non-examination course that covers modules on Careers, C2/PHSE, RE and Study skills, in addition it responds to emerging student needs and therefore is prone to regular changes and updates. Each topic draws on prior learning from previous years and builds on understanding from KS3 programmes of study.

The content develops and deepens the core knowledge that will underpin all areas of the curriculum at KS4 and KS5.
