

18 January 2022

Dear Parent/Carer

**Year 11 Sixth Form week - 14<sup>th</sup> February 2022**

As your child, along with the rest of our Year 11 students, works towards their final GCSE exams, it is also a time to start exploring the exciting opportunities available after Year 11. Amongst the opportunities on offer is joining our Sixth Form.

Unfortunately we have had to cancel our Sixth Form Open Evening due to the ongoing Covid situation. However I am delighted to inform you that we will have a Sixth Form week for students to offer further information about this transition to Sixth Form. Over the course of the week, all Year 11 students will receive presentations from all of our Sixth Form A Level and BTEC subjects.

The Year 11 Sixth Form week is an excellent opportunity to obtain more information about the subjects we intend to offer in 2022-23. It offers the chance to talk to teaching staff from across all subject areas and to find out about the student support we have in place to support student success in Sixth Form. In addition, copies of the new Sixth Form prospectus will be made available at the end of the week.

There will also be a meeting for parents hosted by Mr Campbell and myself. We will give an overview of our Sixth Form and there will be the opportunity to ask questions. This will be an online event on **Wednesday 16 February at 5.30pm**. Please look out in the coming weeks for an email from school which will contain a link to join the meeting.

I am sure your child will find the week informative and helpful. After half term the Sixth Form team will begin the process of enrolling students into our Sixth Form and supporting students with progression to other institutions. There will be more information about this during the Sixth Form week.

If you have any queries please contact me via email. Otherwise check our Sixth Form section of the school website for updates.

Yours sincerely

Mr A Costello  
Director of Sixth Form
